

SUWANNEE RIVER

The Suwannee River, crossed on U. S. 90 - Fla. 1, midway between Madison and Live Oak; flows south from Georgia, where it rises in the Okefenokee Swamp, and empties into the Gulf north of Cedar Keys.

A watercolor illustration of a swampy river scene. The river flows from the foreground into the distance, reflecting the sky and surrounding trees. On the left bank, tall cypress trees with thick, white, hanging moss (Spanish moss) are prominent. The right bank is also lined with trees, some with yellow and orange foliage, suggesting autumn. The sky is a mix of blue, pink, and yellow, indicating a sunset or sunrise. The overall style is soft and painterly.

Beautiful Suwannee River, Florida

*Way down upon the Suwannee River
Far, far away,*

*There's where my heart is turning ever
There's where the old folks stay.*
